

## Great and Mighty Things

(40 days of Prayer and Fasting - Re-Invention: Jan 2 -Feb 10)

It is our pleasure to wish you a glorious new year 2024. We also use the opportunity to invite you to join us on the special prayer and fasting program, themed 40-Days of Re-Invention.

### 1) Why do I need Re-Invention?

Through the year, we have seen great potentials in people left untapped, untouched and undiscovered. Many people are getting comfortable living life below their potentials and abilities, settling for less than what they can become in God;

1. **There is more waiting for you in God and with God:** What are your dreams, desires and expectation for the future? Do you know God can exceed them all? But first, you need to learn his ways. Eph 3:20, Matt 6:33

2. **You can do and become more by Faith in God:** Many people are living in the box of unbelief, fear and anxieties; church attendance once or twice a week cannot generate enough power to cause the necessary transformation you desire; Hebrew 10:38

3. **There is need for internal transformation:** Many people are tied down by burdens and depressions and only an internal work of transformation can bring complete liberation to be and do all God created them for. Romans 12:2

### 2) What should you expect at the End of the Program?

Definitely, we trust God for many testimonies, many dry bones leaping to life, divine empowerment and transformation. Specifically, we encourage everyone to be intentional about these expectations listed below for 2024:

Expect

1. A Re-Invention: *a new version of you emerging after this event*; better equipped for exploits Spirit, Soul and Body; with faith in God (Romans 10:17), suspending unbelief by Faith, and promptly obeying the instructions and promptings of God, Jer 33:3

2. An Holistic Healing; Spirit, Soul and Body, and healed from the effect of past emotional damages; 1 Thess 5:23

3. Breakthroughs and Breaking Through by Faith and Wisdom; Facing life with full confidence; moving from 'God can bless me despite this' to 'God will bless me because of this'. Become unconscious of the presence of your weaknesses; and face life as if they do not exist. Mark 11:22-24

### 3) Who should attend 40 days of Re-Invention?

#### **Get Ready for Intimacy with The Holy Spirit**

In January 2024, we will be studying more about the ministry of the Holy Spirit. While it's very good to pray when you need something, when there's trouble and when you're tired and frustrated but there's a better way out of these things. We also seem to forget that the same God we pray to is a person and desires a relationship. For us to best understand how to be champions of life, we have to know the author of this life and His ministry. This is what engineers great and mighty things; knowing the author and taking advantage of life by engaging the ministry of the Holy Spirit.

#### **24 Important Things about The Holy Spirit;**

1. The Holy Spirit is God Himself; He is more than a wind, feeling or a thing
2. The Holy Spirit is the one who brings to pass what God says.
3. The Holy Spirit is the doer of the things of God.
4. When God wants to do something in your life, it's the Holy Spirit He uses -the more reason why you need the Holy Spirit
5. Jesus walked the earth like any other man but did not yield to sin and temptation or walk in unrighteousness because of the Holy Spirit (Heb 4:15)
6. The Holy Spirit makes right everything that has gone wrong and makes possible whatever seems impossible
7. Until you have the Holy Spirit you'll walk in darkness
8. We receive the Holy Spirit by first believing in Jesus Christ

9. The Holy Spirit is our very present help
10. He's the same as Jesus. He's another Helper of the same kind.
11. He's our helper, strengthener, advocate, the one who stands with us in everything, he is our comforter, our counselor, our guide, our intercessor who intercedes with us and for us. (Jn 14:16-17) He is our everything.
12. The Holy Spirit gives us understanding; the first thing he does is helps us receive the message of Jesus Christ and the word of God in your spirit. He is the secret of understanding. That means your academic life, research life, relationships, work life and every hard thing is sorted once you engage Him.
13. The Holy Spirit will teach you all things; He teaches from within and brings to remembrance all that He teaches. Ps 119:98
14. He makes the testimonies of God your mediations and reality and brings to you more understanding (Ps 119:98-100)
15. The Holy Spirit shows the secrets of life (the path of life). Ps 16:11. Prov 14:12. Isa 48:17
16. He will guide you; Anyone without the Holy Spirit is like a sheep without a shepherd or an aircraft without a pilot or a man walking in utter darkness Jn 16:13, Rom 8:14, Ps 105:37-38
17. The Holy Spirit makes the life of God in you work
18. He will vitalize/ vibrate/ energize/ quicken/ regenerates your mortal body Rom 8:10-11
19. Sin killed your body and made you irresponsible to God but the Holy Spirit revives your body beyond repairs.
20. The Holy Spirit quickens us because of righteousness. This means, righteousness permits Him to supply us with life. Without Jesus giving as His righteousness, we can't receive the supply
21. The same Spirit that gave you life is the same spirit that will keep you by constantly supplying life
22. The Holy Spirit brings the fire and the glory of God into your life
23. The Holy Spirit bounces you back to wholeness; sickness and death cannot fit in
24. The Holy Spirit is the only one that gives us power to become sons of God; your life is no longer the life of blood or the will of man but of God Jn1:12-13

Why should your life be full of struggles after knowing you have the Holy Spirit?

Either you struggle through life or intentionally and consciously walk through life in blessing. The former continues to suffer because they always miss out on the message

conveyed. You must learn to refuse to suffer or struggle. The Holy Spirit gives you power to overcome and take advantage once He abides in you. He literally gives you the dynamic ability to cause changes. Remember that God never does anything without His Word and until God speaks the Holy Spirit will not move(will do nothing). So The word goes first and then the Holy Spirit acts on the Word to bring it to pass. When God speaks you must receive His Word. That's the way the Holy Spirit brings the word of God in your life to pass as well as engage the ministry of the Holy Spirit.

Now you know who the Holy Spirit is and how to engage His ministry in your life and everything around you.

It's time to do great and mighty things. It's time to provoke and experience the supernatural.

What are you waiting for? This year is your year.

Let's go!!!
